

Straten AI Engagement Snapshot

How We Work

Straten AI offers flexible, high-impact consulting services designed for agility, affordability, and executive outcomes.

Clients engage with us through short sprints or ongoing advisory support depending on urgency, complexity, and growth stage.

Engagement Options

- Strategy Sprints – Focused 2–4 week engagements to tackle one key challenge.
- Strategy-as-a-Service – Monthly partnership for teams needing continuous strategic insight.
- AI Readiness & GPT Support – Practical AI integration into real operations and workflows.

Example Projects by Service Area

Strategy Sprints:

- Go-to-market reset
- Pricing model rework
- Pre-fundraise investor brief

Strategy-as-a-Service:

- Strategic dashboards
- Executive team alignment
- Quarterly planning & OKRs

AI Readiness:

- GPT-powered research & automation
- Prompt library for sales & support
- Internal AI pilots with training

Indicative Pricing Ranges (USD)

- Strategy Sprints: \$2,500 – \$12,000 depending on region and scope
- Monthly Advisory: \$950 – \$6,000 / month depending on tier
- AI & GPT Support: from \$1,200 to \$4,500+

Who It's For

- Founders who want clarity fast
- Operators preparing for funding, scaling, or expansion
- Teams exploring how AI can drive results
